

**Professor Damen Haile Mariam MD, PhD**

Damen Haile Mariam is Professor of Public Health and Health Economics at Addis Ababa University, Ethiopia. He is also registered as a Consultant Community Health Specialist with the Federal Ministry of Health, and is a fellow and member of the Health Working Group (HWG) of the Ethiopian Academy of Sciences (EAS).

Professor Damen teaches and conducts research in the area of health services analysis and health management. He has served as Chairman of the Department of community Health (AAU) from 2001-2005 and as Associate Dean for Research and Graduate Studies for the College of Health Sciences (AAU) from 2006-2012. With his colleagues, he has played key role in the launching of the PhD in Public Health training in Ethiopia. In addition to his teaching and research responsibilities, he has served as the President of the Ethiopian Public Health Association (EPHA) from 2002-2005, and as Editor-In-Chief of the Ethiopian Journal of Health Development from 2009-2016.
